ORDER

In its December 6, 2013 order, the Commission authorized Consumers Energy Company (Consumers) to securitize up to \$389.6 million of qualified costs. Among other issues addressed by the order, the Commission concluded that there must be periodic true-ups of the securitization charges to ensure that the amounts collected are sufficient to service the securitization bonds. The Commission stated:

True-ups of the securitization charges shall be conducted periodically, in accordance with the schedule and the methodology approved in this order. Mid-year true-up results may be implemented immediately for any mid-year true-up that is uncontested.

December 6, 2013 order in Case No. U-17473, p. 64.

On June 15, 2017, Consumers filed its third annual routine true-up adjustment report to reflect new surcharges for the period August 2017, through July 2018. On June 30, 2017,

Consumers filed a revised version of its third annual true-up adjustment report to correct an error in its application of the allocator set forth in ordering paragraph F of the December 6, 2013 order. The current and proposed surcharges are outlined on page 2 of Attachment A of Consumers' revised application.

The Commission Staff (Staff) reviewed the proposed adjustments contained within the revised application and concluded that the adjustments were routine, the calculations were accurate, and the proposed adjustments conform to the methodology approved by the Commission.

After considering Consumers' revised filing and the Staff's review, the Commission agrees that the proposed adjustments in the revised application are routine, the calculations are accurate, and the proposed adjustments conform to the approved methodology. Consumers is therefore authorized to implement the adjustments effective for bills rendered on and after the August 2017 billing month.

THEREFORE, IT IS ORDERED that:

A. For bills rendered on and after the August 2017 billing month, Consumers Energy Company shall implement the new securitization charges set forth in Attachment C of its revised application.

B. Prior to the August 2017 billing month, Consumers Energy Company shall file with the Commission tariff sheets essentially the same as those set forth in Attachment C of its revised application, attached hereto.

The Commission reserves jurisdiction and may issue further orders as necessary.

Any party desiring to appeal this order must do so by the filing of a claim of appeal in the Michigan Court of Appeals within 30 days of the issuance of this order, under MCL 462.26. To comply with the Michigan Rules of Court's requirement to notify the Commission of an appeal, appellants shall send required notices to both the Commission's Executive Secretary and to the Commission's Legal Counsel. Electronic notifications should be sent to the Executive Secretary at mpscedockets@michigan.gov and to the Michigan Department of the Attorney General - Public Service Division at pungp1@michigan.gov. In lieu of electronic submissions, paper copies of such notifications may be sent to the Executive Secretary and the Attorney General - Public Service Division at 7109 W. Saginaw Hwy., Lansing, MI 48917.
